Today we will...

- Discuss audience and purpose of different information sources
- Learn strategies for evaluating sources
- Find out where to get more research help from the library
1) Go to bit.ly/195padlet

2) Find today’s date & time

3) Add your answer as a comment
In your group, 1) skim the numbered information resources 2) chart the audience and purpose of each source on the concept map.
Evaluating a Source

In groups of two or three, 1) analyze the source with the #1 sticker 2) fill out the evaluating a source worksheet
